## **Jewish Women's Foundation of the Greater Palm Beaches to Host FACES OF RESILIENCE, A Virtual Cocktail Event with Featured Speaker Sandra Bernhard**

Palm Beach, Florida – The Jewish Women's Foundation of the Greater Palm Beaches ([JWF](#)) is hosting a virtual cocktail fundraising event, [FACES OF RESILIENCE](#), on March 10, 2021 from 5-6pm EST, open to ALL feminist-minded humans across the globe. The cocktail hour will feature guest speaker [Sandra Bernhard](#), world renown comedienne, actress, singer and outspoken women's rights advocate.

FACES OF RESILIENCE will focus on the impact of JWF's work, their education and leadership programs, and showcase many of the organizations that have benefited through grants funded by JWF through 2020.

Sandra Bernhard will be joining the event to talk about the resiliency and strength of women – with her own unique brand of humor of course!

Proceeds from FACES OF RESILIENCE go directly to JWF to continue their mission of raising the status of women and girls locally, nationally and in Israel.

“While we have held an annual fundraising luncheon for many years, we had to change course this year. We are thrilled to have found a way to still connect and we are honored to have Sandra Bernhard join us as a guest speaker as her feminist advocacy is so in line with our organization,” said Jennifer Kryshka, CEO of JWF.

“With a virtual format we are able to include women across the globe who may be passionate about our mission, allowing us more opportunities to help more women and girls change their lives.”

The event site will go live at 4:30pm with a pre-event presentation from JWF and event sponsors and the main cocktail hour begins promptly at 5pm. Attendees and those wishing to support the organization can also “Shop for a Cause” from February 24-March 10, 2021 with 20% off all purchases from select stores being donated to JWF. All stores will be linked on the event website by February 24th for easy shopping!

A ticket to attend FACES OF RESILIENCE is \$200. There are also several ways to support the organization and their mission through donations, advertisements, and event sponsorships. Information on sponsorship opportunities is available on the JWF website <https://jwfpalmbeach.org/faces-of-resilience-sponsorship-opportunities/>.
